PRINCIPAL'S DESK

Dear Parents/Guardians,

I would like to thank so many of you for your support of the Student Representative Council in their work to raise money for the San Miguel Family Center at Kurmond. **The annual Trivia Night was, by all accounts, a triumph.** Congratulations to all our SRC representatives and to their Coordinator Mrs Shelby Vassallo. The organisation of this night is an important statement about the need for us to support families in the local community.

I encourage you to attend the Parents and Friends' Meeting to be held this coming Wednesday here at the College at 7.00pm. This meeting provides me with an opportunity to get some feedback from you in regard to the development of a learning mentor program that we are considering introducing for most of our students.

God Bless

SRC TRIVIA NIGHT **Around the World**

On the 23rd of May, the College's Student Representative Council held the annual trivia night to raise funds for our charity, 'The San Miguel Family Centre.' The theme for the night was *Around the World*, and the night was a huge success, raising over \$8,100! The night consisted of seven rounds of trivia, broken up with an intermission, allowing the chance to enter the various mini games set up around the hall, including coin toss, guessing competitions, lucky suitcases, raffles, as well as an opportunity for photos in our very own photo booth. Raffles were also drawn throughout the night, providing another possibility of winning some prizes. The night was filled with laughter, entertainment and of course, trivia!

The SRC would like to thank all those who have supported the us through their generous contributions of donations and sponsorships, as well as those who attended on the night and dug deep for this worthy cause. We are extremely happy to be donating all funds raised to the San Miguel Family Centre, to help out those in need amongst our community.

Does your child catch a school bus? Help them keep it!

As the bus operator that providing your child's school bus services, we're asking for your help getting your child to use their Opal card on every bus trip.

Since the introduction of the School Opal card in 2016, school bus patronage data has significantly dropped. This is not reflected in the number of students actually travelling on our buses for various reasons a large number of students are consistently not using their Opal cards as they should be.

Opal data gathered by tapping on and off is used by transport planners and service schedulers to design the bus network that best serves the community utilising the resources available.

If students don't tap on and off then school bus services will appear underutilised and may be considered for cancellation based on low passenger numbers.

Please help us reinforce the message that tapping on and off every bus journey with an Opal card is essential to travel on the bus. This will ensure school services continue to be planned for the students that use it, providing the journey to school your children depend on.

To help us achieve this, please talk with your child:

- Ask them if they tap on and off the bus with their Opal card.
- If they do, congratulate them for doing the right thing and talk about why it's important.
- If they sometimes don't or never do, ask them why.
 - Are they confused about why they have to? Talk about why it's important, and that every tap tells the bus planners that the bus is needed.
 - Do they forget? Help them find a way to remember, such as getting into the habit of getting their Opal card out as soon as they arrive at the bus stop or bus line.
 - Is their Opal card at the bottom of their bag? Help find a handier place to keep it.
 - Are they influenced by friends or peers that don't tap? Talk about how they like to travel on the bus with their friends and how tapping is what keeps the service running.
 - Have they lost their Opal card? To order a new Opal card visit www.opal.com.au.

If there's another reason that you'd like to discuss with Busways, please contact us at info@busways.com.au or call our customer service team on **9497 1878** to talk to us. We are happy to listen and do what we can to help your child feel comfortable using their Opal card.

Thank you for helping us to best serve your school community.

Therefore other than buses - any vehicle parking or stopping in this bus bay for any purpose during these times is doing so illegally. Clear signage has been erected reading "**NO ENTRY - BUSES EXCEPTED**" to warn motorists of this change.
2. The former School Bus Zone located near the Front Gate has been converted to a Full Time Bus Zone. Clear signage has been erected to warn motorists of this change.
