## LEARNING DEVICE POLICY 2019

As outlined in the [Letter to Parents](#) that was distributed Friday Week 9 Term 3, iPhones (or any other mobile phone) cannot be used as learning devices in 2019.

It will be an expectation from the start of 2019 that **all students in Year 7 to Year 12** will need to bring one of the following as their learning device

- Windows Laptop,
  - Apple Macbook,
  - Google Chromebook
  - **Please Note** - students with existing **iPads** can continue to use these but new iPads should not be purchased as a learning device, as they are still often used inappropriately and limit the development of students typing and information technology skills

## 2019 Diocesan School Fees

13 December 2018

Dear parents and carers

Please find below the Annual Diocesan fees schedule for 2019. The new schedule includes a very modest 2.7% increase on the fees from 2018.

School-based fees will also be limited to a 2.7% increase. School-based fees cover the costs of important things such as technology and school administration.

School fees are generally billed in instalments during Terms 1, 2 and 3. The fee is made up of three main parts:

### 1. Diocesan tuition fee

These are set by Catholic Education Diocese of Parramatta and are the same for every school. There are **significant sibling discounts** for families with more than one child at a Catholic Education Diocese of Parramatta school (it does not have to be the same school).

Those discounts and a list of the annual Diocesan tuition fees for 2019 are outlined below.

#### 2019 Diocesan tuition fee schedule (per year)

	1 <sup>st</sup> child (100%)	2 <sup>nd</sup> child (75%)	3 <sup>rd</sup> child (50%)	4 <sup>th</sup> Child (0%)
Kindergarten	\$1,206	\$903	\$603	No fee
Years 1 – 6	\$1,557	\$1,167	\$780	No fee
Years 7 – 8	\$2,157	\$1,617	\$1,080	No fee
Years 9 – 10	\$2,394	\$1,794	\$1,197	No fee
Years 11 – 12	\$3,057	\$2,292	\$1,530	No fee

### 2. Diocesan Building Levy

This fee is set by Catholic Education Diocese of Parramatta and is the same for every school. The annual Diocesan building levy for 2019 is \$804. **There is only one Diocesan building levy per family with one or more children in a Parramatta Diocesan school or at St Dominic's College, Kingswood** and it is billed in instalments over the first 3 terms of the year. A sibling discount of 50% is granted to families with children within the bordering Archdiocese of Sydney and Dioceses of Wollongong and Broken Bay.

### 3. School-based fees

These are determined by the school according to the needs of that school and billable for each child. School-based fees are often called 'resource fees' or 'activity fees'. These fees help schools cover the costs of things like teaching resources, technology, excursions etc.

This fee varies between schools. Please contact the school to find out more about their school-based fees.

*As a guide, the Diocesan tuition fee represents roughly half the overall fee per year.*

### Here's how we can help

We appreciate that from time to time, some families experience financial challenges. As well as sibling discounts, confidential fee support is available through the following means:

- **Flexible payment options**

Families enrolled in CEDP schools are offered flexible payment options at the start of each year. These options provide opportunities to select a payment plan that best suits you. Payments can be made by direct debit or BPay on a weekly, fortnightly or monthly basis at no additional charge.

- **Fee assistance**

We understand financial circumstances can change and that these changes can impact on families. Please speak with your school principal confidentially if your family experiences financial difficulty or hardship so an appropriate arrangement can be made.

- **Bishop Manning Scholarship Fund**

In addition to fee assistance programs, the Bishop Manning Scholarship Fund is available to families who experience difficulty meeting the cost of school fees due to financial hardship. Part or full scholarships are also available to students enrolling in Catholic Education Diocese of Parramatta schools. Further information is available on our website [www.scholarshipparra.catholic.edu.au](http://www.scholarshipparra.catholic.edu.au).

- **Byallawa co-contribution scheme**

The Byallawa co-contribution scheme provides assistance to Aboriginal and Torres Strait Islander families to ensure a quality Catholic education is affordable and accessible\*. Further information is available at [www.scholarshipparra.catholic.edu.au](http://www.scholarshipparra.catholic.edu.au).

Thank you for your ongoing support of our Catholic schools.

Yours sincerely

In the lead up to the school holidays, some handy tips are provided by eSafety Commissioner on gaming.

## Safe Gaming- 5 Tips

5 tips to create a safe gaming environment for your child

### Research

- Many games may contain themes, language and images that are unsuitable for your child and vary in their levels of violent or sexual content. You can check the age guidelines and classification of individual games through information available on its website or product box or at the [Australian Classification Board](#).
- Useful information about games ratings can also be obtained from the [Pan European Game Information](#) (PEGI) and the US [Entertainment Software Rating Board](#) (ESRB).
- Review sites can also be a good source of information about age appropriate content – check out the [Australian Council on Children and the Media](#), [Kiwi Families](#) (NZ), [Common Sense Media](#) (US), [Parents' Choice](#) (US) and [Ask About Games](#) (UK).
- See our [Parental controls](#), [Movies and games](#) and [Games, apps and social networking](#) pages for more information.

### Get involved

- Talk regularly with your child about their gaming interests and who they play with online. Help them understand the risks of excessive gaming.

# Safe Gaming- Tips

- Play alongside your child to get a better sense of how they are handling their personal information and who they are communicating with.

## Prepare

- Use available parental controls and establish rules well in advance about gaming use, including time limits, personal information they should not share and designate where they can play. Get your child to use a screen name that doesn't reveal their real name and locate the computer or games console in an open area of your home (or if they are playing on their hand held device get them to do it in the family room).
- Agree on strategies for them to switch off, like a timer that signals that game time is nearly over, and the consequences for not switching off.
- Install current security software on all devices to protect against viruses, malware and other online threats, and teach your kids not to click on links provided by strangers, like cheat programs to help with game play.
- Activate parental controls and settings to restrict access to certain sites and content and to help prevent any excessive spending on in-game and in-app purchases.
- 

## Monitor

- Monitor the time your child spends online and keep a look out for any changes in your child's activity, school or social behaviours.
- Encourage your child to tell you if they are being [cyberbullied](#) or if another user is making them uncomfortable – they can 'block' players or report any threatening or suspicious behaviour to the game's administrators. If you suspect your child is being groomed online by a stranger, you can report this to the Australian Federal Police on the [Child exploitation form](#).

## Empower

- Provide your child with strategies to deal with negative online experiences. Our [Young & eSafe](#) site is a good starting point as it helps empower young people to take control of their online experiences. It includes real life stories from young people and expert advice and tips on how to make a positive impact in their online world.

## Does your child catch a school bus? Help them keep it!

As the bus operator that providing your child's school bus services, we're asking for your help getting your child to use their Opal card on every bus trip.

Since the introduction of the School Opal card in 2016, school bus patronage data has significantly dropped. This is not reflected in the number of students actually travelling on our buses for various reasons a large number of students are consistently not using their Opal cards as they should be.

Opal data gathered by tapping on and off is used by transport planners and service schedulers to design the bus network that best serves the community utilising the resources available.

If students don't tap on and off then school bus services will appear underutilised and may be considered for cancellation based on low passenger numbers.

Please help us reinforce the message that tapping on and off every bus journey with an Opal card is essential to travel on the bus. This will ensure school services continue to be planned for the students that use it, providing the journey to school your children depend on.

To help us achieve this, please talk with your child:

- Ask them if they tap on and off the bus with their Opal card.
- If they do, congratulate them for doing the right thing and talk about why it's important.
- If they sometimes don't or never do, ask them why.
  - Are they confused about why they have to? Talk about why it's important, and that every tap tells the bus planners that the bus is needed.
  - Do they forget? Help them find a way to remember, such as getting into the habit of getting their Opal card out as soon as they arrive at the bus stop or bus line.
  - Is their Opal card at the bottom of their bag? Help find a handier place to keep it.
  - Are they influenced by friends or peers that don't tap? Talk about how they like to travel on the bus with their friends and how tapping is what keeps the service running.
  - Have they lost their Opal card? To order a new Opal card visit [www.opal.com.au](http://www.opal.com.au).

If there's another reason that you'd like to discuss with Busways, please contact us at [infoline@busways.com.au](mailto:infoline@busways.com.au) or call our customer service team on **9497 1878** to talk to us. We are happy to listen and do what we can to help your child feel comfortable using their Opal card.

**Thank you for helping us to best serve your school community.**

# IMPORTANT NOTICES:

## Illegal Stopping in Tasman Place

This has been reported to police who will issue penalty notices to those offending.

## Illegal U Turn:

All parents and students are warned that making a U turn out of the bus bay on Rifle Range Rd is illegal. We bring this to your attention as making this turn is very unsafe, even when the 40kmh limit applies. Please **do not** make this turn.

## Recharging Mobile Devices:

All students are asked to ensure that their mobile devices are fully charged before they arrive at the College each day.

# IMPORTANT NOTICE TO MOTORISTS

## RE: SCHOOL BUS ZONES IN RIFLE RANGE ROAD

### Please be aware that the School Bus Zones in Rifle Range Road are as follows:

1. The existing bus bay near the main car park gate is now a School Bus Zone on School Days from 8:00am-9:30am and 2:30pm-4:00pm. Therefore other than buses - any vehicle parking or stopping in this bus bay for any purpose during these times is doing so illegally. Clear signage has been erected reading "**NO ENTRY - BUSES EXCEPTED**" to warn motorists of this change.
2. The former School Bus Zone located near the Front Gate has been converted to a Full Time Bus Zone. Clear signage has been erected to warn motorists of this change. Therefore other than buses, any vehicle parking or stopping for any purpose in the School Bus Zone at any time, is doing so illegally.

# IMPORTANT NOTICE FOR DROP OFF/PICK UP

For safety reasons parents are asked NOT to drive onto the school grounds to drop off or pick up students before 9:30am and after 2:30pm.

The ONLY EXCEPTION to this is for students with disabilities.

Thank you

## **IMPORTANT NOTICES - SMS ABSENCES**

If your child is absent from school for any length of time and you do not receive an SMS message from the College please provide a note the first day back at school giving the date(s) and reason why your child was absent which should be given to their Homeroom teacher on the day of return.

On occasion it is out of our control that we experience an Internet or Telstra problem and therefore we are unable to send out the SMS absence messages.

Thank you for your patience.

### **Reminder of how to reply to SMS Absence messages**

If you reply to the SMS message there is no need to send in a note to explain the absence -the SMS is sufficient. If you do not reply a note must be sent in with your child and given to their homeroom teacher on the day of return. In your SMS reply please include the following details:

Child first and surname, Year group and homeroom (if known), **reason for absence.**

Examples:

Kylie Howard, 8D2, sick with a cold.

Nikki Howard ,11, orthodontist appointment

**PLEASE NOTE THAT IT IS VERY IMPORTANT THAT YOU GIVE REASON FOR ABSENCE.** We are still receiving replies without providing a reason for absence. In these cases it is still an unexplained absence and will remain outstanding.

Please do not call the number sent in the SMS, it is only for SMS replies.

The replies are not downloaded till 1:00pm daily, so if, you need to clarify any details concerning your child's attendance please call the College office before 1pm on
