## 2015 Polding Walk is Just One Week Away

Planning is well underway for the Polding Walk to be held on Friday, 19th June (Week 9). There are some great prizes on offer for those students who raise the most money. If parents are interested in volunteering to help on the day, please complete the response slip on the letter received and return it to school as soon as possible. This year we are hoping to raise around \$50,000 through the Polding Walk and that money will benefit students by providing an awning over the stairway to E Block.

**Note:**

Just a reminder that Walkathon Tallies take place during Homeroom every **Wednesday**.

## Principal's Desk

Parents/Guardians,

Since 1986 the College has offered a Catholic education to the families of the Hawkesbury. We now have ex-student parents enrolling their children here. We believe it is very important that we are able to give our students a real sense of the history of the school and at the same time an understanding of the various contributions our ex-students have made to our society. To this end we would like to start compiling a list of our ex-students who have done significant things, taken up unusual careers and/or been successful in some way, in some field. We believe that talking to our students about the experiences of our ex-students would help to broaden their horizons. If you know of any ex-students who would fall into this category could you please contact us through our website ([www.bedepoldingwindsor.catholic.edu.au](http://www.bedepoldingwindsor.catholic.edu.au)) and let us know about them. Your help in this regard would be very much appreciated.

God Bless

Rodney Howard for Kevin Jones

# Year 10 Textiles and Design Project

Congratulations to the students in Year 10 Textiles and Design who have just submitted their first project of the year – A culturally inspired dress. All students were required to select and study the fashion and cultural dress of a selected culture and create a garment inspired by the traditional dress of that culture. The students are now about to take on a design task that requires them to design a range of clothing and produce a piece of clothing from their own fashion range. Good luck girls we look forward to seeing your creative and inspiring ideas.
