Principal's Desk

Dear Parents,

Just about every day I take the opportunity to walk around the College; often during homeroom and sometimes during classes. It gives you a very good overview and a 'feel' for the school and the learning that is happening. I have also in the past few weeks managed to teach a variety of classes in different years. All of these experiences have made me very thankful for the professional staff that we have at the College. I know at times there are issues that arise in classrooms but overall this term there has been a level of purposeful cooperation between our teachers and students that is reflected in the atmosphere I have been experiencing in my daily "excursions" from my office. I would like to compliment our teachers and our students for the wonderful way that the year has started. I hope that this has also been your experience.

As always please don't hesitate to contact us with any concerns that you may have.

God Bless

Kevin Jones

2013 Polding Walk

Planning is well underway for the Polding Walk to be held on Friday, 21st June (Week 8). Letters outlining details of events on the day, will be issued to all students next week before the end of Term 1. Students will be given their yellow sponsorship cards and should start getting sponsors signed up. Special letters for attracting business sponsors are available at the Student Foyer. There are some great prizes on offer for those students who raise the most money. If parents are interested in volunteering to help on the day, please complete the response slip on the letter and return it to school as soon as possible. This year we are hoping to raise around \$45,000 through the Polding Walk and that money will benefit students by providing a covered walkway between the Science and C Blocks - as well as supporting some local charities.

URGENT FEES NOTICE

Attention parents of students Years 9 to 12

Please be aware that the elective subject fees for students in Years 9 to 12 are billed in Term 2 only, therefore, they have not been included in the equations if you have elected to pay fees by direct debit or Bpay as per the amount showing on your Term 1 Fees Statement. This means you will have the Elective Subject Fees amount still owing after your direct debit or Bpay amount has been paid. The reason for this late billing for the Elective Subject Fees is that they are a manual entry as each student chooses different subjects and cannot be added before the Term 1 fees go out. We apologise for this inconvenience. Please ring Cherie at the end of Term 1 if you wish to find out how much your Elective Subjects are. Alternatively, they will be showing on your term 2 Statement.

Cherie Stevens (Bursar) (BPC)

Human Connections - Personal Development Session with Year 11

Last week Rocky Biasi from Human Connections (www.humanconnections.com.au) ran a personal development session with Year 11. The main points of this session were how to get into the best mental and emotional state for peak performance. The students were presented with a range of techniques and strategies to help them manage stress and overwhelm, learn how to refocus on priorities and minimise mental focus on disappointments and set-backs, how to access motivation and deal with procrastination. The students also constructed a vision for Success and implemented core "success" principles by using the 4 step process to set and achieve goals.

Students also attended a study skills session with Prue Salter from Enhanced Learning Educational Services (www.enhanced-learning.net). The session focused on helping students identify changes and improvements they could make to their approach to their studies in order to maximise their results in their final years of school. The main areas covered with Year 11 were setting up an effective home study environment, managing resources for school both paper and digital, working effectively at home and dealing with distractions, using the diary as a planning tool, making brain-friendly study notes and using a wide variety of active study techniques to suit individual learning styles. Parents are encouraged to review the handout from the session with students and discuss the main areas identified where changes need to be made. Parents can also find extra study skills tips on the following website: <http://studyskillstoptipsparents.com/>.

Reading Program

Parent Volunteers for Reading Program Needed

In Terms 2 and 3 a number of students in Year 7 and Year 8 are involved in a reading program to help improve their literacy skills.

In order for this program to be successful, we need parent volunteers on a Wednesday. No pre-requisites are needed, just a friendly face to encourage these students.

If you could come on Wednesdays in Terms 2 & 3 (9:00am to 10:00am) your time would be greatly appreciated. We are a friendly group and welcome back helpers from last year and hope to meet some new parents. If you were a canteen helper in the past we would love to see you.

The program commences on Wednesday 8th May 9:00am—10:00am.

Please fill in the form below (and return asap) in an envelope marked -

'Jan Trefoni—Reading Program'

Students can give these to their Homeroom teachers who will pass them on to me, or please phone Carol in the office on 4577 6455 and leave a message.

Many thanks. *Jan Trefoni*

The Australian Childhood Vision Impairment Register

The Australian Childhood Vision Impairment Register is hosted by the Royal Institute for Deaf and Blind Children and is the first national register of children in Australia with vision impairment. The Register has been collecting data since 2009, and this data is providing important information about the types of eye disease and vision disorders children have and the support they need. The data is also used by service providers and researchers. Data is stored securely and no child can be identified in any way when the data is released.

How can families register their child?

Families are invited to register their child (aged 0-18 years) if they have vision impairment in both eyes which has been diagnosed by an eye specialist or ophthalmologist. Registration can be done by contacting Register staff on (02) 9872 0303, or by visiting the VI Family Network website at: www.vifamilynetwork.org.au. This website also contains low vision resources and events that families might find helpful.

Year 7 Camp Lost Property

Many items still remain unclaimed. Parents please check that your child has brought all their belongings home from the camp. If any items belonging to your child are missing ask them to collect same before Wednesday 10th April. Also please check that no items **not** belonging to your child have been brought home inadvertently.

Thank you. Mrs Santos Yr 7 Coordinator

PDSSSC SWIMMING

Congratulations to the following swimmers who were selected for the NSW CCC selection trials which were held at the Sydney Olympic Park Aquatic Centre on Monday the 25th of March:

Ryan Bowman
Reid Dodd
Maddie Felder
Jemma Gordon

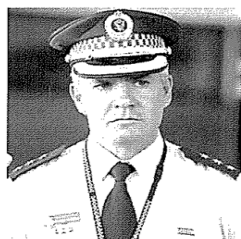

Kane Kilmister
Daniel Sparks
Jordan Sparks
Monica Tadrosse

Alissa Van Klooster
Jordan Zammit

Well done to Maddie Felder who was second overall in 50m backstroke. Ryan Bowman achieved a third place in 50m breaststroke, 50m fly, and 50 m backstroke. Kane Kilmister was second overall in 50m freestyle, third in 50m fly and third in 100m freestyle. Well done to Jordan Sparks who achieved three personal best times in his swims. Other swimmers performed well throughout the day with some close results. We would also like to thank Daniel Sparks and Reid Dodd who as Year 12 students have given six years of excellent service to swimming throughout their time at BPC. Thank you also to our parents who attended on the day who were of invaluable support.

Ms Manuel

ECO News

The Eco Group has had a very busy start to the year. We began with a hasty preparation for the Alive Conference at UWS in week 4. This was the final stage of this project which, for us, has resulted in our water tank and sustainable garden. Thirteen students from Years 7 to 12 attended the conference and each of them was involved in our presentation to the other schools. The students who attended were:

Year 7

Laura Chaffer
Emily Drysdale
Molly Ross

Year 8

Sara Eather
Jayme Sims

Year 9

Jennifer Goedde
Adam Mackey
Emily Tyrrell

Year 10

Alison Mifsud

Year 11

William Chaffer
Nicole O'Brien

Year 12

Georgia Thomas
Uyen Truong

The conference also included inspirational talks from Costa Georgiades from Gardening Australia, Uncle Wes, an aboriginal elder, and a panel climate change experts. In between presentations students had the opportunity to visit various stalls and participate in drumming and dancing. The conference also included the first public viewing of the film made of our project by UWS students. This can be viewed at:

<http://www.youtube.com/AliveProjectHEN>

Currently we are working on the garden that accompanies our water tank. Each week we have more garden beds constructed out of reused materials. For this we greatly acknowledge the assistance of Mr Fenech. It is our intention to grow a sustainable garden that will produce vegetables that can be donated to the soup kitchen once harvested.

Help Needed

If you can help us achieve this goal in any way it would be greatly appreciated. We need seeds, soil, tools, advice, watering cans, compost, materials to make garden beds ... Please contact Mr Lans if you think you can help.
