## Principal's Desk

Dear Parents/Guardians

This week at a number of functions we farewelled our Year 12 students from the College. At the Farewell Assembly the reading encouraged them to remember that God "will be with you always, to the end of the age". Many thanks to Fr Arthur, from St Matthew's, who celebrated the Graduation Mass in the evening and who also joined us for the Presentation. We wish all our students well over the coming months.

On Wednesday, at our Leadership Assembly, we installed our new College Leaders. Congratulations to our new School Captains, Rachele Griffin and Mitchell Price and our new SRC Leaders Melissa Azzopardi, Jimmy Bayssari, Natalie Davey and Danielle Galea.

Over the next few days we will write to you to enlist your continued support with some of our expectations of students. We are aware that most of the issues that will be raised in this letter do not pertain to, or affect, the majority of the families in the College however in a spirit of transparency it is important that everyone receives the same information.

I hope that you have an opportunity to spend some time together as a family over the coming holiday break.

God Bless

Kevin Jones

## Students, parents, guardians and carers

This brochure explains appropriate behaviour and inappropriate behaviour for students travelling on buses.

### What are the consequences of inappropriate behaviour?

- If a student misbehaves on a bus, the bus operator concerned will contact the parents and the school.
- Depending on the gravity of the offence, students may be required to give up their school bus travel pass or may be refused travel on the bus for a period of time determined by the bus operator.
- Heavier penalties may apply to students involved in group misbehaviour.
- School principals have the right to take additional disciplinary action against a student under the school's discipline code or student welfare policy for any breach of the Code of Conduct.

The bus operator must provide written notification to the parents, guardians or carers before a student's school bus travel pass can be withdrawn.

### What can you do if you disagree?

If parents, guardians or carers don't agree with a decision, they should contact the bus operator. If they are still not satisfied, they can contact the nearest Ministry of Transport office. Toll-free telephone numbers for each office are listed below.

For more information please telephone your nearest Ministry of Transport office on these toll-free numbers:

Parramatta Office: 1800 227 774  
Newcastle Office: 1800 049 983  
Wollongong Office: 1800 049 961

This information was current as at July 2006.

MINISTRY OF TRANSPORT

# School student behaviour on buses

an important message for school students, their parents, guardians and carers

## CODE OF CONDUCT FOR SCHOOL STUDENTS ON BUSES

It is every student's responsibility to behave in a manner that ensures the safety and comfort of passengers and drivers. This includes:

### BEHAVING APPROPRIATELY

- ✓ respect the needs and comfort of other passengers (e.g. no use of offensive or racist language, fighting, spitting, placing feet on seats, throwing things in or from the bus, eating or drinking—except water—unless the bus operator gives written permission)
- ✓ give up seats to all adults and disabled passengers
- ✓ adhere to the law that bans smoking on buses
- ✓ obey reasonable directions from the driver (e.g. where to sit or to remain in the bus)
- ✓ keep arms, legs and heads inside the bus
- ✓ refrain from attracting the attention of the driver except in the case of emergency

### RESPECTING PROPERTY

- ✓ protect bus property
- ✓ ensure that buses are not vandalised
- ✓ report any vandalism e.g. graffiti and window etching

### HOLDING PASSES

- ✓ show travel passes or tickets to the driver on boarding and when requested
- ✓ use the travel pass only for its intended purpose
- ✓ 'swipe' or 'dip' passes in ticket readers if available when boarding
- ✓ keep your pass for your own use—you should not lend your pass to other students or borrow one from them.

Disobeying these rules may lead to the withdrawal of school bus travel passes and/or prosecution.

In the case of students travelling under the School Student Transport Scheme, this Code of Conduct is also printed on the application form. You are reminded that when signing the application form the parent/guardian/carer explicitly declares that they support the Code and that it has been explained to their child.

This brochure is about school student behaviour on buses. It outlines appropriate behaviour and describes behaviour that is inappropriate. The Code of Conduct was developed to ensure the safety and comfort of all passengers. It is every student's responsibility to follow the simple rules outlined in the Code.

If students misbehave on buses, the following consequences may result:

### UNACCEPTABLE BEHAVIOUR

such as using offensive or racist language, disobeying reasonable directions from the driver, smoking, spitting, damaging property, eating on the bus, distracting the driver with persistent noise and failing to show the travel pass

### may lead to

the loss of subsidised school travel privileges for up to two school weeks for a second offence, and up to ten school weeks for subsequent offences. Permanent suspension of school travel privileges or banning from travelling on buses may apply for repeated offences.

### DANGEROUS BEHAVIOUR

such as seriously bullying or harassing other passengers, fighting, letting any part of your body protrude from the bus, throwing objects inside or outside the bus, using matches and lighters, carrying dangerous items and group misbehaviour

### may lead to

the loss of subsidised school travel privileges for up to four school weeks for a first offence and up to ten school weeks for subsequent offences—or if group misbehaviour is involved, permanent loss of school travel privileges. Permanent suspension of school travel privileges or banning from travelling on buses may apply for repeated offences.

### HIGHLY DANGEROUS BEHAVIOUR

such as interfering with safety equipment, pushing students out of the doors or windows, assaulting the driver or other passengers and destruction of bus property

### may lead to

the permanent loss of subsidised school travel privileges, and possible court action or police prosecution. Students may be banned from travelling on buses.

The police will be called to deal with highly dangerous behaviour.

These penalties reflect the seriousness of the misbehaviour. They ensure that all students who misbehave on buses are dealt with in a fair and consistent manner, no matter which bus operator or school is involved.

If students are refused travel, parents/guardians/carers must make alternative travel arrangements and meet any costs of that transport. They will not be eligible for the Ministry of Transport Private Vehicle Conveyance Scheme under these circumstances.

A group of school students behaving unacceptably may risk higher penalties if their conduct puts the safety of other passengers or the driver at risk.

The operator will inform the Ministry of its decision. The Ministry may inform an operator of a student's record of misbehaviour. Please refer to the *Guidelines for Managing School Student Behaviour on Buses* for dealing with incidents of inappropriate behaviour. They can be found at [www.transport.nsw.gov.au](http://www.transport.nsw.gov.au) and are available at each school.

# Ls – Got them? Gearing up to get them?

It's a fairly well known fact that young people are seriously over-represented in road safety statistics.

But a much lesser known fact is that Learner drivers are actually the safest drivers on the road. It's only when a novice driver 'goes solo' that their crash-risk sky rockets ... so much so that they are 20-30 times more likely to be involved in a fatal or serious crash in the first 6 months on their Ps.

To tackle this issue, *keys2drive*, the single largest national Learner driver safety program ever undertaken in Australia has commenced. *keys2drive* will see 200,000 lessons provided by specially trained, *keys2drive* accredited driving instructors for FREE.

Developed by Australia's motoring clubs and funded by the Federal Government, a *keys2drive* lesson brings together a professional driving instructor with the Learner and their supervising driver – most often mum or dad. In doing so, everyone benefits from a better understanding of how to work towards making sure the Learner driver becomes a safer P plate driver.

If you already have your Ls or are planning to get them in the next 12 months, or if you are or will be supervising a Learner driver, you can find out more information and register for a FREE *keys2drive* lesson at [www.keys2drive.com.au](http://www.keys2drive.com.au)
